Report of ABACUS CLUB
Academic Year 2023-2024

There is more to obtaining knowledge than merely attending lectures. One of the key areas where the Department of MCA truly excels is providing a wide variety of extracurricular activities. Active involvement in student clubs is a great way to develop one's character and technical skills. Inspired by this, the Department of MCA has formed a student club named "ABACUS Club", an association of MCA students. The club was established in the year 2007 for the students, by the students, and of the students. "Ms. Aditi S. Dahivelkar" is the coordinator of the ABACUS Club.

Following are the glimpses of various activities conducted under ABACUS Club for the academic year 2023-2024:

1. Expert Talk on Cloud and SAP Workshop An expert talk on Cloud and SAP Workshop was conducted on 8th April 2023. The session aimed to provide insights into cloud computing and SAP technology. A total of 54 students benefited from this session.
2. Expert Talk on Linux and Cloud Operation This session was organized on 15th April 2023 to help students understand cloud operations and Linux environments. A total of 30 students participated in this talk.
3. Expert Talk on Care of Liver - Liver Day Celebration To spread awareness about liver health, an expert talk was conducted on 19th April 2023. The session covered liver care, health awareness, and preventive measures. 49 students attended this informative session.
4. Expert Talk on Automation in AI On 11th May 2023, a session on Automation in AI was conducted, providing students with knowledge about artificial intelligence and automation. The talk was attended by 129 students.
