

# **K.K.Wagh Institute of Engineering Education and Research, Nashik**

## **Department of MCA**

### **Industry Visit at Netwin Infosolution Pvt.Ltd.**

**Company Visited:** Netwin Infosolution Pvt. Ltd., Nashik

**Date:** 3rd May 2024

**Class:** First Year MCA (FYMCA)

**Accompanying Faculty Members:**

- Dr. V.C. Bagal
- Ms. M.E. Maniyar

### **Introduction**

An industrial visit was organized for First Year MCA students of K.K. Wagh Institute of Engineering Education and Research, Nashik, to **Netwin Infosolution Pvt. Ltd., Nashik** on **3rd May 2024**. The visit aimed to provide students with practical exposure to real-world industry operations and enhance their understanding of IT industry practices.

### **Objective of the Visit**

- To bridge the gap between academic learning and industry practices.
- To provide students with an understanding of organizational structure, workflow, and project execution in an IT company.
- To interact with industry professionals and gain insights into current technologies and methodologies.

### **Overview of the Visit**

The students were warmly welcomed by the Netwin Infosolution Pvt. Ltd. team. The visit commenced with an introductory session highlighting the company's history, services, and areas of expertise in the IT sector.

A series of presentations and discussions were organized to explain the lifecycle of software development, quality assurance processes, and the roles of different teams within the company.

## **Student Participation**

The students displayed commendable enthusiasm and curiosity throughout the visit. They actively participated in discussions, asked insightful questions, and showed a keen interest in understanding the real-world applications of the concepts they learn in class. Their interaction with the professionals provided them with deeper insights into the expectations and challenges of the IT industry.

## **Learning Outcomes**

- Enhanced understanding of software development processes.
- Exposure to current industry tools, technologies, and workflows.
- Awareness of career opportunities and required skill sets in the IT field.
- Better appreciation for the practical application of classroom theories.

## **Acknowledgment**

We extend our sincere gratitude to the entire team at Netwin Infosolution Pvt. Ltd. for their warm hospitality, well-organized sessions, and willingness to share valuable knowledge with our students. Special thanks to the management and staff for making the visit informative and impactful.

We also acknowledge the efforts of the accompanying faculty members, Dr. V.C. Bagal and Ms. M.E. Maniyar, for coordinating and guiding the students during the visit.

## **Conclusion**

The industry visit to Netwin Infosolution Pvt. Ltd. was an enriching and insightful experience for the FYMCA students. It not only broadened their perspective but also motivated them to pursue excellence in their professional careers. We look forward to more such collaborations in the future.
