- **OBJECTIVE**

Objective:

- To provide platform for students to showcase their talents with a competitive spirit.
- To provide an arena for students to test their technical, professional and business communication skills
- To enhance students' interpersonal skills, team spirit, multi-tasking and time management skills
- To inculcate qualities likes sense of responsibility, self confidence and leadership among student fraternity

2. BRIEF OF SYMPOSIUM

K. K .Wagh Institute of Engineering Education and Research, Nashik

Department of MCA

Brief of ASCEND 2K23 Symposium

Department of MCA organized technical symposium ASCEND 2K23 on 29th April 2023.

This technical symposium was held for the budding graduates to showcase their talent and skills under one roof and also to have a feel of the sporting spirit among all the graduate students from different locations. Since year 2014, Department of MCA has been providing such important platform by organizing this symposium, “**ASCEND**”, under banner of student association, ABACUS Club.

Every year, hundreds of students from different locations take part in this symposium. This year we had received overwhelming response from nearby cities. This year we had registered more than 339 participants. Participants were from various locations across Maharashtra like Mumbai, Jalgaon, Malegaon, Dhule, Loni, Nashik etc. Student Participants were highly satisfied by all the facilities and technical support furnished for various competitions. Brief Report for 29th April 2023 is given below with list of winners, Photographs and Media Flashes.

Prof. M. E. Maniyar and Prof. A. D. Aacharya were the Coordinator for ASCEND 2K23. The entire faculty team of Department of MCA along with current batch students planned this symposium with singular agenda of ability for lifelong learning to help young aspirant to showcase their hidden talent with true spirit of sportsmanship.

Prof. M.E.Maniayr
Coordinator
ASCEND 2K23

Inauguration: 29th April, 2023 Saturday

Dr. Uday Wad, Vice President, Writer Information, Nashik was the Chief Guest for the inauguration ceremony. Prof. Dr. S. S. Sane, Vice Principal and Dean Administration, KKWIEER, Dr. V.C. Bagal, Head of MCA Department coordinators of ASCEND 2K23 were the dignitaries for the inauguration ceremony.

Inauguration ceremony started with the welcome speech by Dr. V.C. Bagal. She enlightened the features of MCA Programme and department. She highlighted the importance and objectives of this symposium. Further she explained why it is necessary to participate in such competitions.

Miss. Sidra Khan, student of FYMCA introduced Chief Guest Dr. Uday Wad. Dr. S. S. Sane felicitated the Chief Guest by offering Memento and flower bouquet.

Dr. S. S. Sane addressed the audience regarding benefits of MCA course under faculty of Engineering.

Dr. Uday Wad guided the students on the technological needs of today's era and its technological solutions.

Student Coordinator Om Diwakar delivered vote of thanks.

At ASCEND 2K23, we organized various technical events like Code Fest, Poster Competition, Quiz, Treasure Hunt, Project Competition, Web designing, PUBG.

After Inauguration of ASCEND 2K23, following competitions were held : Code Fest, Web Design, Treasure Hunt, Meme Making, Crazy Games and BGMI .

For every competition, winners were awarded as shown in following prize distribution table.

Sr. No.	Prizes	1st	2nd	3rd
1	Code Fest	•	•	-
2	Web designing	•	•	-
3	Treasure Hunt	•	•	-
4	Meme Making	•	•	-
5	Crazy Games	•	•	-
6	BGMI	•	•	•

Every winner was awarded with

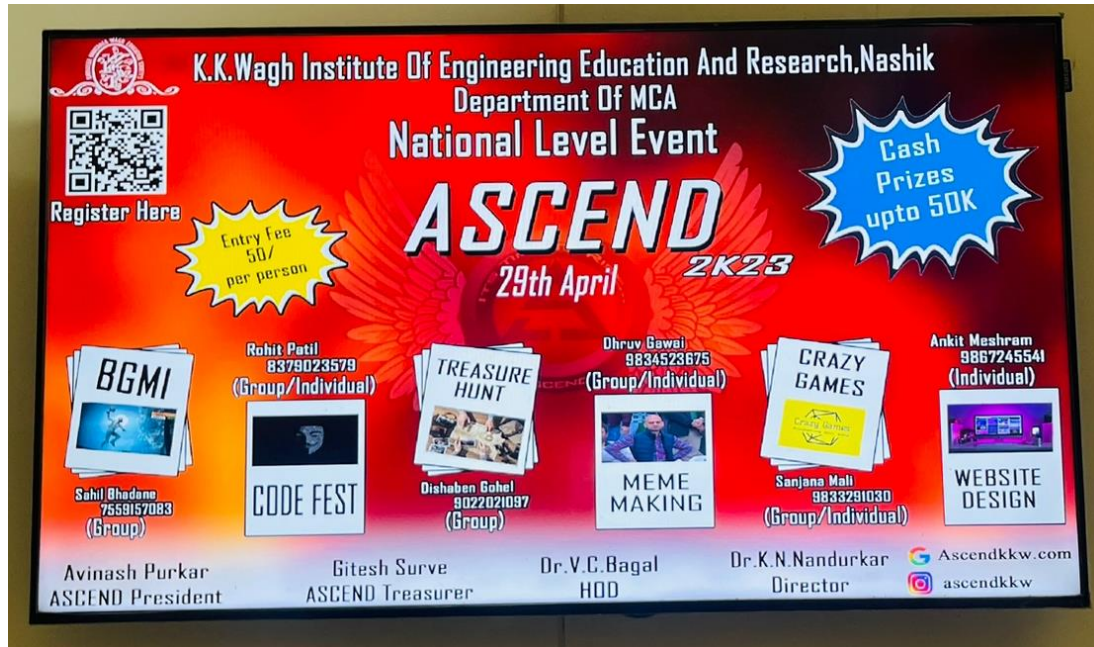

- Cash Prize
- Trophy for 1st Winner
- Certificate
- Netleap Coupon- 1st Winner -30000 2nd Winner 10000 and
- I-Tech Coupon- 1st Winner 3000 and 2nd Winner 2000

Website:

<https://ascendkkw.com/>

Poster:

A vibrant red and yellow poster for the ASCEND 2K23 event. At the top, it reads 'K.K.Wagh Institute Of Engineering Education And Research, Nashik' and 'Department Of MCA'. The event title 'ASCEND 2K23' is prominently displayed in the center, with '29th April' below it. A QR code in the top left corner is labeled 'Register Here'. A yellow starburst on the left indicates an 'Entry Fee 50/- per person'. A blue starburst on the right states 'Cash Prizes upto 50K'. Below the title, six competition categories are listed with their respective organizers and contact numbers: BGMI (Sahil Bhadane), CODE FEST (Rohit Patil), TREASURE HUNT (Dishaben Gohel), MEME MAKING (Dhruv Gawai), CRAZY GAMES (Sanjana Mali), and WEBSITE DESIGN (Ankit Meshram). At the bottom, the event leadership is listed: Avinash Purkar (ASCEND President), Gitesh Surve (ASCEND Treasurer), Dr. V.C. Bagal (HOD), and Dr. K.N. Nandurkar (Director). The website 'Ascendkkw.com' and social media handle 'ascendkkw' are also provided.

Banner:

A blue and white banner for the ASCEND 2K23 event. At the top, it reads 'K.K.Wagh Institute Of Engineering Education And Research, Nashik' and 'Department Of MCA Presents'. The central graphic features a large, stylized 'A' with wings, surrounded by the text 'IT'S TIME TO RISE' and 'ASCEND'. Below this, the event title 'ASCEND 2K23' is displayed. On either side of the central graphic, five competition categories are listed in yellow boxes: WEBSITE DESIGN, CODE FEST, CRAZY MOVES, TREASURE HUNT, BGMI, and MEME MAKING. At the bottom, the event leadership is listed: Avinash Purkar, Gitesh Surve, and Om Diwaker (Student Coordinator); Prof. Mariyam Maniyar and Prof. Aishwarya Acharaya (Coordinator); Dr. V.C. Bagal (HOD, MCA Department); and Dr. K.N. Nandurkar (Director, KKWIEER, Nashik). The banner also features logos for several sponsors: PROFOUND Edutech Private Limited, सुमंगल, NetLeap IT Training & Solutions, I-TECH SYSTEM, {HC} HUNGRY/CODERS, and {101} Curly Binaries.

Event Report

ASCEND 2K23

Event Name: Web Design

Date: 29th April 2023

Participant: Single

Entry Fees: Rs. 50/- per head

No. of Participants: 31

Student Co-ordinator: Ankit Meshram

Faculty Coordinator: P. G. Fegade

On 29th April 2023, The MCA Department of K. K. Wagh Institute of Engineering and Research organized an event called ASCEND, which consisted of six sub-events, namely BGMI, Codefest, Treasure Hunt, Web Design, Crazy Games, and Meme Making.

Web Design

Web Design is one of the six sub-events of ASCEND organized by K. K. Wagh Institute of Engineering and Research. Web Design is a competition that challenges participants to create a responsive website on a given topic. The event aims to encourage students to enhance their skills and technical knowledge while fostering healthy competition. Participants are given a topic to create a website within a time, and they are judged based on the ui, creativity, responsiveness of the website. Web Design is a great opportunity for students to test their web design skills, network with their peers, and enhance their technical knowledge.

Round:

There will be only 1 round, where all participant have to design website within a time and the topic of web design is NGO For Organ Donation.

Rules and Regulations:

1. A Student can only participate individually.
2. A Student can use HTML, CSS, JS.
3. A Student can use internet for Assets (Assets includes images, videos, svgs).
4. A Student can't use css frameworks such as bootstrap or tailwind or any other.
5. A Student can't use js frameworks.

Event Report

ASCEND 2K23

Event Name: Treasure Hunt

Date: 30th April, 2023

Participant: Single/Group

Entry Fees: Rs. 50/- per head

No. of Participants: 91

Student Co-ordinator: Dishaben Gohil (FY MCA)

Faculty Coordinator: Rupali Patil, Poonam Patil

Treasure Hunt was played as fun game and to check logic behind the given clues. The participants were given the adjacent clues in each round followed by the keys in the last round. The participants were given the time to search the given clues. Out of 23 groups, 12 were eliminated in the first round.

In second round the participants had to find the clues hidden in the different locations of the campus and after finding the clues they had to perform the given actions as Push ups, singing, kind of funny things were also done in Treasure Hunt. Out of 11 groups 6 were eliminated in the second round.

In the third round the participants were asked to find the keys, hidden at the department of MCA. These keys opened the final clues and the winners were announced who found it first. Four teams were announced as the winners. The prizes were given the First and second runner. The third prize was shared between two teams and they were given the vouchers as cash.

Treasure Hunt comprises of 3 rounds.

Round 1: On Playground

Round 2: At different portions of campus

Round 3: At Department

On the occasion of ASEND 2K23 Department of MCA organized Meme Making Competition on 29th April 2023.

The aim of the activity was to spread awareness and communicate essential environmental lessons through the fun and unique ways of creating memes. A witty meme can often make the audience laugh, as well as teach something new and important.

An outpouring of responses was received with a total of 30 entries. Each of the submissions was judged on the basis of originality, relevance, and overall humour, and after great deliberation 2 entries were declared the winners. The first and second prizes were awarded to Isha Mohan Suravanshi and Ritesh Vinod Chavhan respectively. Through memes, the participants were able to use their creativity as well as concern towards the environment to spread joy mixed in with need for action.

Judge Details:

1. Shubham Kumavat
Terrible Nashik tales
2. Atharv Mondhe
Nashik Meme official

Winner Details:

FIRST POSITION: Isha Mohan Suravanshi

SECOND POSITION: Ritesh Vinod Chavhan

ASCEND 2023

TREASURE HUNT

A Treasure Hunt is an excellent game for exercising logic, language development and it's just plain fun. Here are the multiple level where given to win game where starting and ending location will be the same. This game is based on time limit that is the one who solve the clue and reach destination first have chances to win the game.

Total Fees-200(per person 50 with member of 4)

Levels

- **Level 1-** Given clue from team member for first location and participant has to solve to reach location. Once they reach they will find another clue to reach the next location where one cheat given and come with that cheat to starting location.
- **Level 2-** Where participant has to perform one task written in cheat to get next clue and once they solve they given next clue with the key for final location.
- **Level 3-** Now participant has to find for final location where box is kept hidden and participant has to find that box with them team member are also assign to note down time one who open box first will win the game.

Requirement –

-  Our department
-  Canteen
-  Courts
-  Airport
-  Bank side Area
-  Parking
-  Ground
-  Stair from ground to our department
