Department of MCA

Brief of ASCEND 2K25 Symposium

Department of MCA organized technical symposium ASCEND 2K25 on 28-Feb-2025 and 1-March-2025.

This technical symposium was held for the budding graduates to showcase their talent and skills under one roof and also to have a feel of the sporting spirit among all the graduate students from different locations. Since year 2014, Department of MCA has been providing such important platform by organizing this symposium, “**ASCEND**”, under banner of student association, ABACUS Club.

Every year, hundreds of students from different locations take part in this symposium. This year we had received overwhelming response from nearby cities. This year we had registered more than 380 participants. Participants were from various locations across Maharashtra like Mumbai, Jalgaon, Malegaon, Dhule, Loni, Nashik etc. Student Participants were highly satisfied by all the facilities and technical support furnished for various competitions. Brief Report for 28-Feb-2025 and 1-March-2025 is given below with list of winners, Photographs and Media Flashes.

Prof. V.R. Dhawale and Prof. S.H. Patil were the Coordinator for ASCEND 2K25. The entire faculty team of Department of MCA along with current batch students planned this symposium with singular agenda of ability for lifelong learning to help young aspirant to showcase their hidden talent with true spirit of sportsmanship.

On 28th February & 1st March 2025, The MCA Department of K. K. Wagh Institute of Engineering and Research organized an event called ASCEND, which consisted of six sub-events, namely BGMI, Mind Quiz, Poster Presentation, Reverse Coding, Tech Treasure Hunt, and Escape Room.

Reverse Coding

Reverse Coding is a unique and exciting competitive coding competition, The event will unfold over two intense rounds, with participants competing individually. Throughout the competition, candidates will be presented with a series of input-output test cases. The challenge lies in writing efficient code that produces the correct output based on the provided input-output test cases. Participants are free to choose their preferred programming language for the task, but they must refrain from using any external modules or packages, ensuring that the solutions rely solely on core language features. This competition tests not only problem-solving abilities but also the participant's knowledge of the fundamentals of programming.

Languages:

1. C/C++
2. Java
3. Python
4. JavaScript / NodeJS

Round:

In Round One, participants are given input - output of pattern-based questions. After deciphering the logic behind these patterns, they need to come up with a code that will fulfil requirement and print that pattern. This round can be completed between 30 to 45 minutes. There will be 2 types of questions first one is easy and second one is medium level. Candidate will need to complete both questions to make place in Round 2. (No collection Framework)

In Round Two, participants are given input-output test cases along with hint and problem statement. Just like Leetcode. After deciphering the logic based on these input-output test cases,

they need to come up with a code that will fulfil logic behind that test cases. Logic must be accurate and efficient. This round can be completed between 45 to 60 minutes. There will be 3 questions Medium, Medium and Hard level. Candidate will need to complete all questions. (Collection Framework Allowed)

- **Rules and Guidelines:**

1. **Timeliness and Attendance**

- Participants must arrive at the venue at least 10 minutes before the scheduled start time.
- Late comers will not be allowed to enter once the competition begins, so please be punctual.

2. **Personal Belongings**

- personal belongings, including but not limited to the following, must be left outside the competition room:
 - ✦ Mobile phones
 - ✦ Smart watches
 - ✦ Scientific calculators
 - ✦ Notes, books, or any materials that could be used for cheating

3. **Coding Tools**

- Participants are required to use VS Code or Notepad++ for writing their code.
- Use of AI and Code Extensions of IDEs such as Eclipse, Visual Studio, or IntelliJ is strictly prohibited.
- Use of collection framework is prohibited in only for round 1.

4. **Code Execution**

- The code you submit must run without any errors or failures.
- Please test and debug your code thoroughly before submission.

5. **Prohibited Actions**

- Artificial Intelligence Assistance: The use of any AI tools (such as ChatGPT, BlackBox, DeepSeek, etc.) is strictly prohibited.
- Any participant caught using AI assistance will be disqualified immediately, and no explanations or arguments will be considered.

6. **Behaviour and Conduct**

- Any form of disruptive behaviour, including but not limited to cheating, arguing, or violating competition rules, will result in immediate disqualification.

Evaluation Criteria:

- **Correctness of Output (40%)**

- **Efficiency of Code** (20%)
- **Clarity and Readability** (15%)
- **Adherence to Language Restrictions** (10%)
- **Time Management** (10%)
- **Pattern Logic Understanding** (5%)
- **Round 1:**
 - If candidate completes both questions, he/she will be in next round.
- **Round 2 (Final Round):**
 - Candidate who completes all three questions will be the winner.
 - If all participants solve only 2 questions, then code will evaluate on the basis of previous criteria by Judge itself.

Top 3 Winner Details:

1. Mr. Mayur Kunde
K. K. W. I. E. E. R, Nashik
2. Mr. Atharva Thakare

ASCEND 2K25

Event Name: Tech Treasure Hunt

Date: 1 March 2025

Participant: Group of 5 Members

Entry Fees: Rs. 20/- per head

No. of Participants: 116

Student Co-ordinator: Rani Gangurde(B)

Faculty Coordinator: Ms. H.A. Chothani, Ms. N.N. Salunkhe

On 1st March 2025, The MCA Department of K. K. Wagh Institute of Engineering and Research organized an event called ASCEND 2K25, which consisted of six sub-events, namely Tech Treasure Hunt, Escape Room, BGMI, Mind Quiz, Poster Presentation, and Reverse Coding.

Tech Treasure Hunt

The Tech Treasure Hunt competition, part of ASCEND by K. K. Wagh Institute of Engineering and Research, is an exciting challenge designed to test participants' problem-solving and technical knowledge. Conducted in a two rounds, this event features teams of up to five members who navigate through a series of clues and tasks to reach the final treasure. Participants must decode technical puzzles, crack codes, and solve engineering-related riddles within a stipulated time.

This competition not only sharpens analytical and critical thinking skills but also promotes teamwork and strategic planning. By adhering to the given constraints and leveraging their technical expertise, participants showcase their ability to think on their feet and apply knowledge in a fun and engaging environment.

Round:

2 Rounds

The first round will be conducted in the MCA corridor

The second round will take place on the college ground.

Rules and Regulations – Tech Treasure Hunt

1. Team Composition

- Each team must consist of 3 to 5 members.

2. Integrity and Fair Play

- Participants must rely on their skills and teamwork.
- External assistance is strictly prohibited unless explicitly allowed in a challenge.

3. Prohibited Actions

- Teams must not tamper with or interfere with other teams' clues.
- Unfair shortcuts or bypassing challenges will lead to immediate disqualification.

4. Compliance with Time Limits

- Each challenge must be completed within the specified time frame.
- Failure to meet the time limit may result in penalties or elimination.

5. Preservation of Event Materials

- Participants must handle all event materials, props, and clues with care.
- Any damage to event setups will result in disqualification.

6. Organizer's Authority

- The organizing committee reserves the right to modify the rules if necessary.
- All decisions made by the organizers will be final and binding.

Event Report (Tech Treasure Hunt)

ASCEND 2K25

Event Name: Tech Treasure Hunt

Date: 1 March 2025

Participant: Group of 5 Members

Entry Fees: Rs. 20/- per head

No. of Participants: 116

Student Co-ordinator: Rani Gangurde(B)

Faculty Coordinator: Ms. H.A. Chothani, Ms. N.N. Salunkhe

On 1st March 2025, The MCA Department of K. K. Wagh Institute of Engineering and Research organized an event called ASCEND 2K25, which consisted of six sub-events, namely Tech Treasure Hunt, Escape Room, BGMI, Mind Quiz, Poster Presentation, and Reverse Coding.

Tech Treasure Hunt

The Tech Treasure Hunt competition, part of ASCEND by K. K. Wagh Institute of Engineering and Research, is an exciting challenge designed to test participants' problem-solving and technical knowledge. Conducted in two rounds, this event features teams of up to five members who navigate through a series of clues and tasks to reach the final treasure. Participants must decode technical puzzles, crack codes, and solve engineering-related riddles within a stipulated time.

This competition not only sharpens analytical and critical thinking skills but also promotes teamwork and strategic planning. By adhering to the given constraints and leveraging their technical expertise, participants showcase their ability to think on their feet and apply knowledge in a fun and engaging environment.

Round:

2 Rounds

The first round will be conducted in the MCA corridor

The second round will take place on the college ground.

Rules and Regulations – Tech Treasure Hunt

1. Team Composition

- Each team must consist of 3 to 5 members.

2. Integrity and Fair Play

- Participants must rely on their skills and teamwork.
- External assistance is strictly prohibited unless explicitly allowed in a challenge.

3. Prohibited Actions

- Teams must not tamper with or interfere with other teams' clues.
- Unfair shortcuts or bypassing challenges will lead to immediate disqualification.

4. Compliance with Time Limits

- Each challenge must be completed within the specified time frame.
- Failure to meet the time limit may result in penalties or elimination.

5. Preservation of Event Materials

- Participants must handle all event materials, props, and clues with care.
- Any damage to event setups will result in disqualification.

6. Organizer's Authority

- The organizing committee reserves the right to modify the rules if necessary.
- All decisions made by the organizers will be final and binding.
