ABOUT SOCIETY

K K Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padmashree Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses & started with a school in Niphad Taluka. The education society later on received a land of 23 acres from the well-known Philanthropist Late Kakuseth Udeshi who was Director of Hansraj Surji Charitable Trust, Nashik. It was utilized by K K Wagh Education Society to establish an ideal Technical Campus known as 'Hirabai Haridas Vidyanagari'. This picturesque Campus houses the Engineering College, Pharmacy & Polytechnic. Later on the other educational institutes in the field of Agriculture and allied courses, Education, Fine Arts, Performing Arts were started in the campus at Saraswatinagar, Nashik. English Medium Schools, Junior Colleges & Universal Schools affiliated to CBSE Board are also run by the trust in Nashik City & Niphad Taluka.

With the vision of empowering the rural youth through quality education, K K Wagh Education

Society started colleges with faculties like Kakasaheb Nagar & Chandori. These colleges are useful for the children from rural area who were deprived of higher education due to non-availability of colleges in their native place.

The objective of K K Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. A major strength of all the institutes is highly motivated & qualified faculty engaged in teaching, research, consultancy & training, testing & designing. Other facilities provided to the students include gymnasium & sport facilities, hostels for boys & girls, mess & canteen, transportation facility etc. A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a big tree with 29 institutes having over 23,000 students engaged in studies from K.G. to Ph.D. in various fields. There are over 1,900 dedicated employees following the Indian ethics & striving hard towards perfection & excellence.

CHAIRMAN'S MESSAGE

It is a real pleasure for me to welcome you to the K K Wagh Group of Institutions.

K K Wagh has been synonymously with quality education for over 50 years & been a responsible member of India.

As a Chairman of the K K Wagh Trust, I feel proud in sharing that the Trust has stayed true to its objective & vision throughout the years. We believe that quality education is the best & most assured route to prosperity & development of the society.

It is with this vision that our founding father, Shri. Kakasaheb Wagh, followed by our beloved Trust President, Balasaheb Wagh (Bhau), contributed towards the development of rural India. Today, with over 30 institutes under its umbrella, K K Wagh provides programs for the complete & holistic development of child & youth in the urban & rural regions of Nashik. We offer courses in Engineering, Pharmacy, Agriculture, School Education, Fine Art & Performing Art along with traditional Arts, Science & Commerce courses. You may be surprised to know that at any given point there are more than 20,000 learners across the programs of K K Wagh.

Our alumni continues to excel in various fields & are leading teams in international corporations.

When someone asks, "How do I measure the success of K K Wagh?" I reflect on two crucial attributes; Firstly, we have

students whose parents graduated from this very campus... what else can be a true testament to the value that we offer for generations to believe in us! Secondly, the longevity of the members of K K Wagh in the system. The springboard that we provide students is built by dedicated staff who believes in the vision & values of K K Wagh. Year after year, decade after decade they have worked with the same zeal.

Today, we stand at a very interesting crossroad in the field of education. "The competitiveness of a nation comes from its people & the human capacity comes from education." The proposed National Education Policy, 2020 has come with exciting opportunities for learners & academicians. It demands dedication, authenticity & innovation from educational institutes to develop skilled & valued citizens for sustainable development. Half a century ago, K K Wagh led the movement for top-

class institutions. Again, the time has come when major institutes will have to lead the 21st century to implement the NEP. At K K Wagh we are ready for this challenge & are committed to lead the next phase. I invite you all to experience & engage with the K K Wagh Trust in this new phase.

K K Wagh - Contributing

Founder & Architect of K.K.Wagh

Balasaheb Wagh alias Bhau.... a symbol of DETERMINATION - DEVOTION - DILIGENCE

The late Balasaheb Devram Wagh alias Bhau (1932-2022) was born in the legendary family of Padmashri Karmaveer Kakasaheb Wagh.

He was an Agriculture graduate & started his career in cooperative & agriculture development gathering field experience in these sectors. Due to his scientific temper & rational approach, he succeeded in increasing the productivity of various sugar factories & brought them into the limelight.

Later, he founded the K K Wagh Education Society in 1970 & played an instrumental role in shaping this society. Owing to his dedicated efforts, able stewardship & interest in providing students with diverse fields of education like Engineering, Agriculture, Pharmacy, Polytechnics, Senior Colleges & school education (SSC & CBSE schools). The K K Wagh Education Society could establish 9 campuses by 2022.

A man of principles, he brought the light of knowledge into the lives of the rural population by providing education, especially for girls, at an affordable cost. His main focus was always on giving "Quality education to all students".

Being a man who believed in top quality, he strived so that the mark of K K Wagh spread across the globe from rural areas. Due to his constant support & engagement, more than 200 staff members have upgraded their educational qualifications & acquired degrees from institutes of repute in India.

His rich experience in agriculture & love for nature prompted him to encourage biodiversity on all campuses of K K Wagh Education Society & his

efforts have borne fruit in the form of rare varieties of plants & a lush green cover at the various learning centers.

He was aware of various social issues & hence inculcated a sense of social responsibility amongst the students. Due to his student-centric approach, all his activities are aimed at the overall holistic development of students. Besides

being proud of the Indian heritage & tradition he also had a keen eye in arts

& hence to promote culture, he started graduate degree courses in Fine arts & Performing Arts, the only institutes outside Pune offering these courses. He has emphasized on the value system & character building to groom the students & faculty as good citizens of the globe.

A man who lived a very simple life was always busy in giving more to society & spreading knowledge & wisdom. A catalytic force behind three different associations of management of unaided colleges of Engineering, Polytechnic, & Agriculture & Allied. A leader who promoted quality education in various institutes in Maharashtra, & headed several delegations of managements for resolving the various issues along with the government & various organizations.

With his zeal & infinite energy, he tapped people's hearts & inspired them to undertake global challenges. He planted the spirit of K K Wagh in each & every one he touched...It is due to his generous approach & dedicated contribution that his memories will be cherished & remembered forever in the minds of several stakeholders.

Foreword from the Principal

The vision of our founder trustees to provide quality technical education for the students with rural background was realized in 1984 after the establishment of this Engineering college. It has become a land mark for excellence in technical education which is evident from the re-accreditation of 8 branches in the year 2019-20 by the National Board of Accreditation (NBA). One more branch was accredited in 2020-21 by NBA & Institute is already having grade 'A' by NAAC.

UGC has granted an academic autonomous status to KKWIEER from the Academic Year 2022-23. AICTE has granted an IDEA Lab by sanctioning an amount of one crore to promote innovation & research in collaboration with industries. In the year 2020-21, our institute is recognised as a Platinum (Highest) Status by the AICTE - CII industry linked survey for the fourth time.

K K Wagh Institute of Engineering Education & Research Nashik offers 10 UG, 3 PG & 5 Ph.D. programmes in engineering affiliated to S. P. Pune University. Besides Engineering, the institute also conducts courses like MCA & MBA blending the technology with management. Recently, the institute has started 3 new UG courses in the emerging areas namely: 1. Robotics & Automation 2. Artificial Intelligence & Data Science.

3. Computer Science & Design.

The objective is to develop engineers & technocrats who will contribute towards the development of society. This is achieved under the guidance of advisory committee which

comprises of experts from various fields.

The strong interaction with industries has resulted in large number of sponsored projects along with opportunities for the students to join in-plant training & getting good jobs. Many students have topped the university exams & also joined various prestigious institutes for higher studies in India & abroad. With research grants of over 2 crore received from various agencies in last 5 years resulted in strong research culture in the institute.

Institute believes in developing overall personality of the students. Many extra curricular activities are organized throughout the year which provide opportunities for students to exhibit their talents. There is well maintained gymnasium with excellent sports facilities. Various tournaments are held in the institute premises & students are selected to represent university at national & international level.

The Training & Placement Cell of the Institute has been inviting many reputed companies for the campus placement & large number of students have obtained placement offers before completing their graduation.

We feel proud about the achievements of our alumini members in various fields of life.

We are sure that the students passing out from this institute will be able to face any challenge successfully in the global competition.

Principal**

From T.P.O.'s Desk...

Greetings from KKWIEER !

Our Institute holds the pride of place being the first ever-Engineering Institute established in Nasik, Maharashtra in the year 1984. Institute is affiliated to S.P University of Pune and we have the talent pool of Mechanical, Electronics, Electronics & Telecommunication, Computer, Information Technology, Electrical, Chemical, Production, Civil Engineering students along with MBA/MCA/ME students for recruitment.

We also have talent pool from Polytechnic and graduates of Agricultural, Science, Commerce, Fine Arts, Performing Arts, Food Technology and Horticulture in our sister concerned institutes run by K.K. Wagh Education society.

The students are willing to locate anywhere within the country or overseas and they have all the qualities to prove themselves in the industries.

In the present scenario, the emphasis is on improving Institute-Industry Interaction. Both the Industry and Institute find it mutually beneficial by organizing the Campus Recruitment Programme.

T&P cell is committed for providing maximum job opportunities to interested and needy students of K K Wagh IEER. We regularly conduct HR summit and HR connect programs to make our students aware about skill expectations from industry and for developing a mechanism for bridging the skill gap. We groom the students meticulously from First Year to Final Year for their campus selection process by conducting training for soft skills. Regularly we also make the students aware about

different opportunities available in the areas like defense services, entrepreneurship development, opportunities in higher education, patent agents etc.

Placement season runs throughout calendar year and institute is having dedicated infrastructures for conducting Aptitude test/Group Discussions and Personal Interview in its campus.

It is our pleasure to share with you that on an average around 150 reputed companies give the placement opportunities to our students. Students have been placed in very reputed companies like: TCS, KPIT Technologies, Cognizant, Capgemini, Aress Software, Reliance Jio, Atos, EQ Technologies, TIAA, Persistent Systems Ltd, Druva Software, Wipro Technologies, JWA Technology Pvt. Ltd. Microsoft, IBM, NVIDIA, HSBC Technology India, Glatt, Bharti Airtel, Josh Software, ABB, Emerson, FINIQ, Adani Group, Mahindra CIE, Crompton Greaves, Praj, KSB Pumps, Rothe Erde, Faurecia, GE Aviation, Legrand, Lupin, Ralson Tyres, Jindal, Mahindra & Mahindra, BOSCH, Dmart, Fedral Bank, MICHELIN tyre, Aptiv Components India Pvt. Ltd., Technip Energies, Atlas Copco, Arcelor Mittal Nippon Steel, IFB, India Mart, Lear

Corporation, Nocil, Fox Solutions, Toyo engineering, Burns and McDonnell, Emerson Export Engineering Centre, Schneider Electric, Torrent Power, CIE Automotive India, Hexaware, Lupin, Thermax, Force Motors, etc. We invite more and more companies to join our placement process and select meritorious engineers for strengthening their workforce

Training & Placement Cell

In order to meet the global challenges of skilled manpower in the 21st Century, institute has started a separate Career Development Center, named as Dr Abdul Kalam Career Development Center. The aim of this center is to make the students aware about various career options available after becoming an Engineer. The Career Development Center regularly organizes the training programs & arranges campus interviews in the institute. Career Development Center is headed by a senior faculty Dr. Pramod Shahabdar & is having a small group of dedicated & committed staff supported by departmental Staff & Students coordinators.

The objective of this Career Development Center is:

1. To become an effective link between the job seekers & job providers by building up networking with Industries & Alumni.
2. To ensure the transparency & clarity in the Training & Placement Activities
3. To provide equal job opportunities to students.
4. To enhancing the employability skills of students
5. To ensure sustainable employment for all our students

Through Dr A P J Abdul Kalam Career Development Center various activities are conducted like: Training of Students, Placement Activities, Students Mentoring & Reaching out

to Industries for enhancing Industry-Institute Interaction, Entrepreneurship Development Activities. Study Abroad Cell is also started to make the students aware about higher study opportunities in the foreign countries.

The institute maintains a cordial relationship with the industries & local industrial organizations like Nashik Industrial Manufacturers Associations (NIMA), Ambad Industrial Manufacturers Associations (AIMA) & Confederation of Indian Industries (CII) & invites them for HR connects & HR summits for enhancing industry institute interactions for molding the students to industry needs.

The institute has signed the MoUs with KPIT Technologies, FinIQ & ZENSAR Technologies & many other training institutes for the purpose of training the students for enhancing their technical & soft skills. Training & Placement (T&P) Cell also coordinates with the companies to help our passed out for recruitment if need arises in the companies

Highlights of the Training activities

T&P cell conducts TPO connect, HR Connect & other training programs from First to Final Year students to groom them meticulously for their campus selection process. The training flow from FE to BE is as detailed in the below table.

Class	Name of The Programme	Out come
FE	TPO connect & Expert Seminars / Workshops	Student will be made aware about the - <ul style="list-style-type: none"> ⊙ Training & Placement Cell & its activities, ⊙ Details of the visiting Companies & their Eligibility Criteria ⊙ Importance of Academic Marks / Percentage
	Japan & German Language Training	To enhance language skill
SE	TPO Connect, "Team Building & Motivational" Workshops	Students were trained for public speaking, group activity & SWOC Analysis
TE	Structured Training Programs (60 to 70 Hours) & TPO Connect	Training the students for Aptitude Test, MOCK Tests & Soft Skills
	HR Connect	Making the students aware about industry expectations
BE	TPO Connect, Company Specific Training	Preparing the Students for Placements / Mock Aptitude Tests / Mock Interview
	Programming skills. Post selection Training	Making our students industry ready

Training & Placement Cell also organises the felicitation of students & their parents for getting selected through campus interview. Students are felicitated in their earlier schools & colleges in presence of their past teachers & students of that school. The objective of this felicitation is to acknowledge the efforts of parents & earlier school teachers in building the placed student & also to show him/her as role model to existing school students.

Institute resources for conducting the Training & Placement Activities: Institute is having a fully dedicated infrastructure for conducting the training & placement activities of the institute. This dedicated infrastructure is spread over 5078 sq.ft area being named as "Dr. APJ Abdul Kalam Career Development Center" This center is having a two computer labs with 80 computers for conducting the campus placement activities. This center is also having separate Group discussion & Interview rooms. Dr. APJ Abdul Kalam Career Development Center is equipped with Video Conferencing facility & is fully connected with Wi-Fi.

1.0 Industry Leaders Summit 3.0 in K K Wagh on 14th December-2023

K K Wagh Education Society organized an Industry Leaders Summit 3.0. This meet was held on 14th December, 2023 (Thursday) in K K Wagh College of Engineering Campus (Tennis ground).

This Summit was in the form of round table discussion in which around 10 industry leaders were assigned to one round table for the discussion on any one of the following themes:

- Digital Transformation and Industry 4.0 / 5.0
- Innovation and Technology Trends in Industry
- Promoting Entrepreneurship and Start-ups
- Talent Development and Workforce Trends
- Issues/Challenges for Sustainable development
- Economic outlook and Industry forecast

This meet was attended by 138 CEO / Plant Heads / Vice-Presidents / GM and Senior Managers of large and medium scale industries of in and around Nasik and few prominent industries of Mumbai and Pune. Principals, HODs and senior staff members of Engineering College, Polytechnic, Pharmacy, Agri and Allied Colleges and Sr. Colleges run by K.K. Wagh Education Society interacted with the industry officials.

Details of the Participants -

Participants from manufacturing as well as service sector attended this meeting. Some of the prominent industry leaders were from: HAL, DRDO, ABB, Praj Industries, Emerson, EPIROC Mining (Atlas Copco), Positive Metering Pumps (I) Pvt Ltd, Rishabh Instruments, Sipra Engineers Pvt Ltd, Spectrum Ethers Ltd, Winjit Technology, Ring Plus Aqua Ltd. VIP Industries, Finiq etc.

About the Program -

The program started with the networking and showcasing of working Projects done by students in AICTE-Idea lab. Around 11 projects were displayed and this idea of showcasing the projects is very much appreciated by the industry leaders. This was followed by welcome speech and presentation by Principal, Dr K N Nandurkar. He shared the details about K K Wagh Education Society and its institutes, facilities available, academic performance and achievements of students, research and consultancy works carried out by institutes. This is followed by the presentation by TPO (Training and Placement Officer) Dr P K Shahabdar who shared about the theme and guidelines of the Industry Leaders Summit 3.0 and its objectives. TPO also presented suggestions, action taken and outcomes of Industry Leaders Summit 2.0 which was held on November 2019. Roundtable discussion started at 7.00pm and ended at 7.45PM.

After the round table discussion, Mr.Saket Chaturvedi, CEO, HAL,Nasik, Mr.Ganesh Kothawade, President ABB, Mr. Ravi Damodaran, Director, Ekaagra Solutions, Dr. Goraksh Garje, Joint Director, DTE, Nasik (Impact of NEP to industries) presented their views on themes and provided their inputs for K K Wagh for: Curriculum Development,

Making Students Industry Ready, Consultancy, Student Projects and Innovation, Mechanism for developing an Entrepreneur, Joint Research Opportunities, Effect of Indianisation and its opportunities.

2.0 Visit to Industries by K K Wagh leaders :

During the academic year 2023-24, K K Wagh team consisting of Principal, Deans, HODs TPO, T&P Coordinators and Senior Faculties visited around 165 companies with an objective of enhancing K K Wagh-Industry Interactions. Out of these 165 industries, 32 are the new industries with whom; K K Wagh wants to engage them in the coming days. Outcome of these industrial visits are Internships and Placement Opportunities, Expert Lectures, Industry Certification Courses and Establishment of Centre of Excellence and Joint Projects. The focus was on enhancing the existing relations and connecting with new industries. The idea was to get the inputs from industry leaders for enhancing capabilities of our students and making them more employable. Summary of Visits are as detailed in the below graphs. Number of Industries visited by Faculties in the Academic Year 2023-24 During these visits K K Wagh team met with the Plant Heads, Talent Acquisition Head and Sr Managers. Every visit started with the presentation about K K Wagh by TPO of the institute. During this visit, alumni interactions were also held at the respective company with an objective of connecting to our Alumni.

3.0 AICTE-IDEA lab:

The AICTE IDEA lab is established in K K Wagh to promote innovations and to convert student ideas into prototypes. This lab is spread over 5000 Sqft and has major equipment like 3-D Printers, 3-D Scanners, Laser Cutting Machine, PCB Milling, Wood Router, Lathe machines, Drone programming, Arduino Programming, and AR/VR with an investment of Rs. 1.1 Cr. The AICTE IDEA lab is also visited by eminent industry leaders and professionals, academicians, and entrepreneurs for guiding students and faculty members, collaborating on projects, etc.
