ABOUT SOCIETY:

K. K. Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padmashree Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses & started with a school in Niphad Taluka. The education society later on received a land of 23 acres from the well-known Philanthropist Late Kakuseth Udeshi who was Director of Hansraj Surji Charitable Trust, Nashik. It was utilized by K. K. Wagh Education Society to establish an ideal Technical Campus known as 'Hirabai Haridas Vidyanagar'. This picturesque Campus houses the Engineering College, Pharmacy & Polytechnic. Later on the other educational institutes in the field of Agriculture and allied courses, Education, Fine Arts, Performing Arts were started in the campus at Saraswatinagar, Nashik. English Medium Schools, Junior Colleges & Universal Schools affiliated to CBSE Board are also run by the trust in Nashik City & Niphad Taluka.

With the vision of empowering the rural youth through quality education, K K Wagh Education Society started colleges with faculties like Arts, Science, Commerce, Computer Science etc. at Nashik, Pimplas (Ramache), Kakasaheb Nagar & Chandori. These colleges are useful for the children from rural area who were deprived of higher education due to non-availability of colleges in their native place.

The objective of K. K. Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. A major strength of all the institutes is highly motivated & qualified faculty engaged in teaching, research, consultancy & training, testing & designing. Other facilities provided to the students include gymnasium & sport facilities, hostels for boys & girls, mess & canteen, transportation facility etc. A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a big tree with 30 institutes having over 20,000 students engaged in studies from K.G. to Ph.D. in various fields. There are over 1,800 dedicated employees following the Indian ethics & striving hard towards perfection & excellence.

CHAIRMAN'S MESSAGE

It is a real pleasure for me to welcome you to the K. K. Wagh Group of Institutions.

K. K. Wagh has been synonymously with quality education for over 50 years & been a responsible member of India.

As a Chairman of the K. K. Wagh Trust, I feel proud in sharing that the Trust has stayed true to its objective & vision throughout the years. We believe that quality education is the best & most assured route to prosperity & development of the society.

It is with this vision that our founding father, Shri. Kakasaheb Wagh, followed by our beloved Trust President, Balasaheb Wagh (Bhau), contributed towards the development of rural India. Today, with over 30 institutes under its umbrella, K. K. Wagh provides programs for the complete & holistic development of child & youth in the urban & rural regions of Nasik. We offer courses in Engineering, Pharmacy, Agriculture, School Education, Fine Art & Performing Art along with traditional Arts, Science & Commerce courses. You may be surprised to know that at any given point there are more than 20,000 learners across the programs of K. K. Wagh.

Our alumni continues to excel in various fields & are leading teams in international corporations. When someone asks, "How do I measure the success of K. K. Wagh?" I reflect on two crucial attributes; Firstly, we have students whose parents graduated from this

very campus... what else can be a true testament to the value that we offer for generations to believe in us! Secondly, the longevity of the members of K. K. Wagh in the system.

The springboard that we provide students is built by dedicated staff who believes in the vision & values of K. K. Wagh. Year after year, decade after decade they have worked with the same zeal.

Today, we stand at a very interesting crossroad in the field of education. "The competitiveness of a nation comes from its people & the human capacity comes from education." The proposed National Education Policy, 2020 has come with exciting opportunities for learners & academicians. It demands dedication, authenticity & innovation from educational institutes to develop skilled & valued citizens for sustainable development. Half a century ago, K. K. Wagh led the movement for top-class institutions. Again, the time has come when major institutes will have to lead the 21st century to implement the NEP. At K. K. Wagh we are ready for this challenge & are committed to lead the next phase. I invite you all to experience & engage with the K. K. Wagh Trust in this new phase.

K. K. Wagh - Contributing to Nation Development by Building Human Capacity.

Warm Wishes

Sameer B. Wagh
Chairman, K K Wagh Education Society, Nashik

Founder & Architect of K.K.Wagh

Balasaheb Wagh alias Bhau.... a symbol of

DETERMINATION – DEVOTION - DILIGENCE

The late Balasaheb Devram Wagh alias Bhau (1932-2022) was born in the legendary family of Padmashri Karmaveer Kakasaheb Wagh.

He was an Agriculture graduate & started his career in cooperative & agriculture development gathering field experience in these sectors. Due to his scientific temper & rational approach, he succeeded in increasing the productivity of various sugar factories & brought them into the limelight.

Later, he founded the K. K. Wagh Education Society in 1970 & played an instrumental role in shaping this society. Owing to his dedicated efforts, able stewardship & interest in providing students with diverse fields of education like Engineering, Agriculture, Pharmacy, Polytechnics, Senior Colleges & school education (SSC & CBSE schools). The K. K. Wagh Education Society could establish 9 campuses by 2022.

A man of principles, he brought the light of knowledge into the lives of the rural population by providing education, especially for girls, at an affordable cost. His main focus was always on giving "Quality education to all students".

Being a man who believed in top quality, he strived so that the mark of K. K. Wagh spread across the globe from rural areas. Due to his constant support & engagement, more than 200 staff members have upgraded their educational qualifications & acquired degrees from institutes of repute in India.

His rich experience in agriculture & love for nature prompted him to encourage biodiversity on all campuses of K. K. Wagh Education Society & his efforts have borne fruit in the form of rare varieties of plants & a lush green cover at the various learning centers.

He was aware of various social issues & hence inculcated a sense of social responsibility amongst the students. Due to his student-centric approach, all his activities are aimed at the overall holistic development of students. Besides being proud of the Indian heritage & tradition he also had a keen eye in arts & hence to promote culture, he started graduate degree courses in Fine arts & Performing Arts, the only institutes outside Pune offering these courses. He has emphasized on the value system & character building to groom the students & faculty as good citizens of the globe.

A man who lived a very simple life was always busy in giving more to society & spreading knowledge & wisdom. A catalytic force behind three different associations of management of unaided colleges of Engineering, Polytechnic, & Agriculture & Allied. A leader who promoted quality education in various institutes in Maharashtra, & headed several delegations of managements for resolving the various issues along with the government & various organizations.

With his zeal & infinite energy, he tapped people's hearts & inspired them to undertake global challenges. He planted the spirit of K. K. Wagh in each & every one he touched...It is due to his generous approach & dedicated contribution that his memories will be cherished & remembered forever in the minds of several stakeholders.

Foreword from the Principal

The vision of our founder trustees to provide quality technical education for the students with rural background was realized in 1984 after the establishment of this Engineering college. It has become a land mark for excellence in technical education which is evident from the re-accreditation of 8 branches in the year 2019-20 by the National Board of Accreditation (NBA). One more branch was accredited in 2020-21 by NBA & Institute is already having grade 'A' by NAAC.

UGC has granted an academic autonomous status to KKWIEER from the Academic Year 2022-23. AICTE has granted an IDEA Lab by sanctioning an amount of one crore to promote innovation & research in collaboration with industries. In the year 2020-21, our institute is recognised as a Platinum (Highest) Status by the AICTE - CII industry linked survey for the fourth time.

K. K. Wagh Institute of Engineering Education & Research Nashik offers 10 UG, 3 PG & 5 Ph.D. programmes in engineering affiliated to S.P. Pune University. Besides Engineering, the institute also conducts courses like MCA & MBA blending the technology with management. Recently, the institute has started 3 new UG courses in the emerging areas namely: 1. Robotics & Automation 2. Artificial Intelligence & Data Science. 3. Computer Science & Design. The objective is to develop engineers & technocrats who will contribute towards the development of society. This is achieved under the guidance of advisory committee which

comprises of experts from various fields.

The strong interaction with industries has resulted in large number of sponsored projects along with opportunities for the students to join in-plant training & getting good jobs. Many students have topped the university exams & also joined various prestigious institutes for higher studies in India & abroad. With research grants of over 2 crore received from various agencies in last 5 years resulted in strong research culture in the institute.

Institute believes in developing overall personality of the students. Many extra curricular activities are organized throughout the year which provide opportunities for students to exhibit their talents. There is well maintained gymnasium with excellent sports facilities. Various tournaments are held in the institute premises & students are selected to represent university at national & international level.

The Training & Placement Cell of the Institute has been inviting many reputed companies for the campus placement & large number of students have obtained placement offers before completing their graduation.

We feel proud about the achievements of our alumni members in various fields of life.

We are sure that the students passing out from this institute will be able to face any challenge successfully in the global competition.

Dr. K. N. Nandurkar, Principal

From T.P.O.'s Desk...

Greetings from KKWIEER !

Our Institute holds the pride of place being the first ever-Engineering Institute established in Nashik, Maharashtra in the year 1984. Institute is affiliated to Savitribai Phule Pune University (SPPU) & we have the talent pool of Mechanical, Electronics, Electronics & Telecommunication, Computer, Information Technology, Electrical, Chemical, Robotics & Automation, Civil Engineering students along with MBA/MCA/ME students for recruitment.

We also have talent pool from Polytechnic & graduates of Agricultural, Science, Commerce, Fine Arts, Performing Arts, Food Technology & Horticulture in our sister concerned institutes run by K.K.Wagh Education society.

The students are willing to locate anywhere within the country or overseas & they have all the qualities to prove themselves in the industries.

In the present scenario, the emphasis is on improving Institute-Industry Interaction. Both the Industry & Institute find it mutually beneficial by organizing the Campus Recruitment Programme.

T&P cell is committed for providing maximum job opportunities to interested & needy students of K K Wagh IEER. We regularly conduct HR summit & HR connect programs to make our students aware about skill expectations from industry & for developing a mechanism for

bridging the skill gap. We groom the students meticulously from First Year to Final Year for their campus selection process by conducting training for soft skills. Regularly we also make the students aware about different opportunities available in the areas like defense services, entrepreneurship development, opportunities in higher education, patent agents etc.

Placement season runs throughout calendar year & institute is having dedicated infrastructures for conducting Aptitude test / Group Discussions & Personal Interview in its campus.

It is our pleasure to share with you that on an average around 150 reputed companies provides campus placement opportunities to our students. Students have been placed in very reputed companies like: TCS, KPIT Technologies, Cognizant, Reliance Jio, Atos, EQ Technologies, TIAA, Persistent Systems Ltd, Druva Software, Wipro Technologies, ABB, Emerson, FINIQ, Adani Group, Mahindra CIE, Crompton Greaves, Praj, KSB Pumps, Rothe Erde, Faurecia, GE Aviation, Legrand, Lupin, Ralson Tyres, Jindal, Mahindra & Mahindra, BOSCH, Dmart, Fedral Bank, etc. We invite more & more companies to join our placement process & select meritorious engineers for strengthening their workforce.

Dr. Pramod K. Shahabadkar
Training & Placement Officer

Training & Placement Cell

In order to meet the global challenges of skilled manpower in the 21st Century, institute has started a separate Career Development Center, named as Dr Abdul Kalam Career Development Center. The aim of this center is to make the students aware about various career options available after becoming an Engineer. The Career Development Center regularly organizes the training programs & arranges campus interviews in the institute. Career Development Center is headed by a senior faculty Dr. Pramod Shahabadkar & is having a small group of dedicated & committed staff supported by departmental Staff & Students coordinators.

The objective of this Career Development Center is:

1. To become an effective link between the job seekers & job providers by building up networking with Industries & Alumni.
2. To ensure the transparency & clarity in the Training & Placement Activities
3. To provide equal job opportunities to students.
4. To enhancing the employability skills of students
5. To ensure sustainable employment for all our students

Through Dr A P J Abdul Kalam Career Development Center various activities are conducted like: Training of Students, Placement Activities, Students Mentoring & Reaching out to Industries for enhancing Industry-Institute Interaction,

Entrepreneurship Development Activities. Study Abroad Cell is also started to make the students aware about higher study opportunities in the foreign countries.

The institute maintains a cordial relationship with the industries & local industrial organizations like Nashik Industrial Manufacturers Associations (NIMA), Ambad Industrial Manufacturers Associations (AIMA) & Confederation of Indian Industries (CII) & invites them for HR connects & HR summits for enhancing industry institute interactions for molding the students to industry needs.

The institute has signed the MoUs with KPIT Technologies, FinIQ & ZENSAR Technologies & many other training institutes for the purpose of training the students for enhancing their technical & soft skills. Training & Placement (T&P) Cell also coordinates with the companies to help our passed out for recruitment if need arises in the companies

Highlights of the Training activities

T&P cell conducts TPO connect, HR Connect & other training programs from First to Final Year students to groom them meticulously for their campus selection process. The training flow from FE to BE is as detailed in the below table.

Entrepreneurship Development Cell (Start-up Club)

Entrepreneurship Development (ED) Cell -

The Entrepreneurship Development (ED) Cell of the institute is established with the objective of promoting specialized training to facilitate Entrepreneurial skills. ED Cell organizes awareness programs & expert talks by experienced professionals to develop entrepreneurial skills among the students & to motivate them to choose entrepreneurship as a career choice.

Along with the E D Cell, Institute also have established Institution's Innovation Council (IIC), by MHRD, Innovation Cell, Start up & Innovation Cell by SPPU, Centre for Innovation, Incubation & Linkage & Industry Cell is formulated in collaboration with Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), Germany & MSME. It is supported by GIZ-NIMA-IFC Innovation Project.

International Facilitation Centre (IFC) -

Institute has a good established International Facilitation Centre which caters the needs of higher study abroad activities for the students.

The vision of the International Facilitation Centre is to develop global professionals by providing guidance to students for higher study abroad & to build reputation of the institute in the global educational context by collaborating with foreign universities.

The objectives of the IFC are summarized as follows,

1. To provide facility for effective counselling of students for higher study abroad.
2. To assist students in finding courses that are best suited to them on individual strengths, needs & aspirations.
3. To train & guide the students for learning foreign languages like German, Japanese, French etc.
4. To train & guide the students for the preparation of international competitive examinations like GRE, GMAT, TOFEL, IELTS etc.
5. To expose the students to the lifestyle & foreign culture at study destinations from our Alumini Network.
6. To conduct student as well as faculty exchange programs with foreign universities
7. To motivate students for participating in international competitions at abroad
8. To identify the opportunities of international placements, internships & trainings for the students. In the Academic Year 2019-20 IFC has started training of Japanese & German language.
