

Win 1st Prize at ChemBlaze 3.0

The Department of Chemical Engineering, K.K. Wagh Institute of Engineering Education and Research, congratulates the Final Year B.Tech student team for securing the **1st Prize** at the National Level Technical Symposium **ChemBlaze 3.0**, organized by the Department of Chemical Engineering, Agni College of Technology, Chennai, Tamil Nadu. The winning team members were **Aditya Gawali, Gauri Vidhate, Shweta Chaudhari, and Uday Bharitkar**, under the guidance of **Dr. Yennam Rajesh**. Their achievement reflects their technical knowledge, teamwork, and innovative approach in the field of Chemical Engineering. The department also appreciates the constant support and encouragement provided by our Head of Department, **Dr. S. N. Jain**, in motivating students to participate in such technical events.
