

Department of Chemical Engineering
K. K. Wagh Institute of Engineering Education and Research
Hirabai Haridas Vidyanagari, Amrut Dham, Panchavati, Nashik-422003

Faculty Contributions as Resource Persons (AY 2025–26)

Sr. No.	Name of Faculty	Contribution
01	Dr. S. N. Jain	- Served as a Judge at LVH College INNOFEST 2026 on 24 April 2026 - Served as a Judge at the Avishkar Competition at LVH College on 3 October 2025 - Served as a Board of Studies (BoS) Member at PREC, Loni and LVH College, Nashik. - Worked as a reviewer for various journals.
02	Prof. S. N. Derle	Served as a Subject Expert for the development of learning materials for Emerging Trends in Chemical Engineering under the MSBTE K-Scheme curriculum at K. K. Wagh Polytechnic, Nashik.
03	Dr. G. B. Daware	- Served as a Judge at the National-Level Paper Presentation Event, “CHEMSTROM 2K26,” organized by Pravara Rural Engineering College on 5 May 2026 - Worked as a reviewer for various journals.
04	Prof. T. B. Mahale	Served as an Expert for the workshop on DWSIM Software conducted for Third-Year Chemical Engineering students at K. K. Wagh Polytechnic from 15 to 17 December 2025.
05	Dr. Yennam Rajesh	Delivered an expert talk on “Metal–Organic Frameworks (MOFs) and Their Applications in Petroleum Reform Gases” at the Department of Petroleum Technology, Aditya University, for II and III B.Tech Petroleum Technology students on 10 April 2026.
06	Dr. R. Ravula	Delivered an expert talk on “A Highly Sensitive Hybrid Digital Sensor for Room-Temperature Arsenic/Heavy Metal Detection Kit” for II B.Tech students of the Department of Pharmaceutical Engineering at BVRIT Narsapur on 30 March 2026.
07	Dr. Prashant Kumar	Delivered an expert talk on “Mastering Scilab for Chemical Engineers” at P. P. Savani University, Gujarat, on 10 March 2026.
