...

The KK Wagh Education Society successfully held its first Overseas Alumni Meet in London recently, at the St Ermin's Hotel, Westminster. The event saw the enthusiastic participation of 62 alumni who are now employed and settled in various professional fields across the United Kingdom.

The initiative to organise the alumni gathering in London was proposed by the President of the KK Wagh Education Society, Sameer Wagh, to bring together former students working in esteemed positions abroad. The idea received widespread support, resulting in a memorable and successful reunion. The event was attended by Sameer Wagh, along with

notable alumni, including Associate Vice President of HCL Technologies in the UK, Ramayag Pandya; Divisional Engineer at Networking, Chandrashekar Dhake; Entrepreneur, Sanand Savdekar; and Director of Strategy Company, Pranav Kapadiya.

The programme began with an introductory presentation by Dean Dr Priti Bhmare, who highlighted the achievements and growth of KK Wagh institutions over the past 55 years through an informative PPT presentation. A welcome address and the felicitation of alumni by Wagh followed.

Participating alumni expressed heartfelt gratitude and happiness. The event was organised by the institution's Secretary, Prof KS Bandi, while Dr DM Chandwadkar delivered the vote of thanks on behalf of the management. Prof Priya Rakibe hosted the programme.
